

A REPORT TO SURG FOR ALL FOR ON OUR THREE MONTHS STAY IN
SPAIN, SR EMELDA BEKONG NGEH AND SR VERA NYUYDINI FROM
SEPTEMBER 30TH TO DECEMBER 22 2017.

We are very grateful to table this report you on our three months practice in the different eye clinics and hospitals. It has been a great period of learning for us. We had very little knowledge in this area before coming but now we have learned a lot of skills especially in the surgical area.

We are very grateful to the staff and doctors of the different clinics and hospitals where we practiced as they all assisted us in this learning process such as Clinica Quijada, Clinica Baviera, FOM, Universidad Catolica and Hospital General in Valencia and Optica Audifonos in Calpe.

We are particularly very grateful to the SURG FOR ALL organization for their financial, moral and material support to us during this time. We have learned a lot and will try to put all into practice to improve our own eye clinic back in Cameroon.

Thank you very much for your availability to us and we continue to pray that god will lead you as you continue to assist many other institutions and bless you all. Thank you for everything.

Sr Vera Nyuydini and Emelda Bekong
