

ELEMA ANGELA

THE DIRECTOR OF HEALTH SERVICE
YAOUNDÉ,
CENTRAL REGION
REPUBLIC OF CAMEROON.

Sir,

AN APPLICATION FOR INTERNSHIP.

I am writing to apply for Internship in your hospital. I am a third year single female nurse of 28 years old; I studied in the Catholic School of Health Sciences in Shisong pursuing the nursing diploma examination coming up in July 2020. The purpose for my internship is to help me prepare for the diploma exam as well as improve my nursing skills.

If I am given the opportunity for the internship, I will be very willing to serve wherever you need me. I promise to see and serve God in each person and give my best to them. I also promise to respect the rules and regulations governing your hospital.

If you need any further information about me, feel free to contact Fr. Emmanuel Nkeng my referee who recommended me to you.

I will be most grateful if my application will be considered and accepted.

Faithfully yours

Elema Angela: *Angela*
