**AU PRESIDENT DE LA  
SOCIETE CAMEROUNAISE  
D'UROLOGIE  
(SCUR)**

**Objet** : Campagne de dépistage de l'hypertrophie  
Bénigne de la prostate.

Docteur,

Nous organisons du 23 Avril au 11 Mai 2018, **une deuxième campagne de dépistage de l'hypertrophie bénigne de la prostate**. La première campagne s'est très bien déroulée. Comme nous l'avons indiqué dans notre précédente correspondance, ces campagnes sont en prélude à la venue d'une équipe de chirurgiens espagnols de **L'ONG SURG FOR ALL**, qui prendront en charge les cas opératoires en Juillet 2018 prochain. Nous vous préciserons la date exacte après avoir finalisé toutes les procédures.

Les bilans et les actes lors de cette campagne seront à prix réduits.

Vous pouvez nous joindre au **6 78 43 72 41** en cas de besoin.

Franche collaboration.
